

# Target Businesses & Business Professionals With Confidence

True multi-channel B2B data for direct mail, telemarketing, email & digital from Ameribase Digital

Have you tried B2B data before but been disappointed by the performance? Are you struggling to find a reliable data provider for your B2B campaigns? Ameribase Digital only provides quality and accurate data, ensuring your B2B marketing yields results.

## What makes our B2B data different?

Want accuracy & scale? With Ameribase Digital, you can finally achieve both! Our data has been validated multiple times by independent evaluator TruthSet and each time it was found to be amongst the most accurate when compared to other leading data providers. Plus our B2B data is truly multi-channel and available for direct mail, email, telemarketing, cookie and IP address targeting. It can even be delivered to your favorite digital platform!
